Ralph A. Lewis Primary Examiner Continuation of 2. NOTE: In response to the Final Office Action of 08/26/2004 applicant cancelled 245 claims and added 225 new claims. Unfortunately, the examiner is simply not given enough time to review 225 brand new claims in after final responses. The examiner "objected to" 43 different claims in the Final and indicated that they would be allowable if rewritten in independent form. It is unclear how these 245 new claims correlate to those "objected to" or how the 43 "objected to" claims expanded into 245 new claims. The new claims that do not directly and exactly correspond to those "objected to" present new issues that would require further consideration. Once again the examiner requests that applicant simplify the issues and reduce the number of pending claims.
